BARN DANCE - SATURDAY, APRIL 30th: 7.30 to 10.30 p.m.

The Spring "Barn Dance" is to be held at the end of April, the price of admission being 50p. The Caller is John Buckle, who will give instruction in the steps in addition to "Calling" the dances. Refreshments are available during the evening at reasonable prices.

Dress is formal: jeans, plaid shirts and gingham type dresses, also straw in the hair or teeth, or any type of casual wear you wish.

In the past we have often wished to stage entertainment during the mid-evening break. Perhaps this time we could stage a talent contest for everyone's enjoyment. Therefore, anyone who feels they would like to take part by singing, playing an instrument or whatever their particular skill may be, contact Maurice Stagg, Orpington 30570, and discuss arrangements.

Mums and Dads try to make this event, it is a relaxed and friendly evening offering the opportunity of meeting people and making new friends.

Tickets are available from the G.S.L. Reservation can be made by telephone (Orpington 30570).

DISTRICT JUBILEE SPONSORED WALK - 30th APRIL.

Indicative of the "Full Scouting Calendar", on the same day as the Barn Dance, the Orpington Scout District is holding a Sponsored Walk in aid of the Hydrotherapy Pool. Our Group will be assisting by providing a team of Marshalls to superintend one section of the Course.

GROUP SPONSORED SWIM, MAY 13th.

Everyone has been bombarded with notes on the Sponsored Swim, and why we need to repair the Drive of the Headquarters. To repeat the theme once more: our Group does not receive monetary assistance from any quarter, what we achieve we do so by the efforts of our boys, leaders and parents. Please help by sponsoring, swimming, gathering other sponsors or helping on the night. The H.Q. belongs to us and to future generations of boys and their parents.

CUBS JUBILEE TEA PARTY, JUNE 4th.

This is a Scoop: The Group's Scouters have decided to hold a party to celebrate the Queen's Jubilee! Details will follow but we thought the Cubs would like to know well in advance to prevent Mum and Dad arranging an alternative outing.

OLD YEAR'S PARTY, DECEMBER 31st.

In order the parents do not feel left out, our Group is considering holding an Old Year's Party in the H.Q. providing there is sufficient support. Your comments to the G.S.L. please. (That's inviting trouble!!)
